What Your Comment Needs to Include:

- Name
- Address and phone number
- Document Title: Oregon Dunes NRA Management Area 10 C Designated Routes Project
- Your comments about specific trails: how you use them (do you use particular ones to get to sand camping? on poker runs or club events?), how long you have been using them, why certain trails are important to you, are there any trails you use seasonally? Be as specific about the trails you use as possible. How will trail be missed if closed?
- State that you don't agree with any of the alternatives in the DEIS and the Forest Service needs to start from scratch and develop new alternatives.
- State any related clubs, organizations, or groups you belong to.
- Be respectful and polite!
